

Virtual Parent Support Group

The AMITA Health Autism Spectrum & Developmental Disorders Resource Center (ASDDRC) serves as a clinical navigation hub for the neurodevelopmental community. During COVID-19, the ASDDRC is offering virtual parent support groups. It is an opportunity for parents and/or legal guardians of individuals with Autism Spectrum Disorder and/or Intellectual/Developmental Disorders to connect with one another in a supportive group setting to process experiences and adaptations during COVID-19.

- **Free** for parents and/or legal guardians of individuals with a neurodevelopmental disorder
 - Weekly Sessions:
 - Thursday, April 9, 2020
 - Thursday, April 16, 2020
 - Thursday, April 23, 2020
 - Thursday, April 30, 2020
 - 5:00pm – 5:45pm
- Registration **required** to allow for appropriate parent support by the clinical team at ASDDRC.
 - To register please call **847.755.8536** or email **AHBHHHEResourceCenter@amitahealth.org**
 - Participants will receive virtual meeting information after registration.

**Please note registration for attendance is required by 12:00pm on the date of the group.*
