Park District	<b>Hoffman Estates</b>
Project Location	<b>Bridges of Poplar Creek Country Club</b>
Project Status	<b>New</b>
Project Type	<b>Routes and Surfaces</b>
Routes and Surfaces- select a Project Category below:	<b>Accessible Routes- Means of Egress Doors-Doorways-Gates Sidewalks Play Surfaces</b>
Benefits of the Project	<b>A new building is being constructed to be able to play virtual golf games and practices regular golf all year long. The building will have the ability to have food and drink service as well. The building has four access points of which all were made ADA compliant. New path leading to all doors has concrete as the access point. The hitting bays were designed with artificial grass and set low in the concrete to have a smooth transition from concrete to turf. The new hitting areas provide a stable ground all year in comparison to regular grass.</b>
Items that will become ADA Compliant	<b>Entrances, concrete walkways and patio, turf hitting bays.</b>
The project is designed or constructed, or applies human resources, to comply with:	<b>The 2010 Standards for Accessible Design</b>
