A NEW HOME FOR THERAPEUTIC HORSEBACK RIDING LESSONS

HORSEBACK RIDING LESSONS

The Palatine Park District has hosted NWSRA's Therapeutic Horseback Riding Program at the Palatine Stables for years - building truly amazing memories during that time. As you may or may not be aware, the Palatine Park District has had to make the difficult decision to close the stables. While this news is difficult for everyone, especially since the stables have been a staple in the Palatine community and NWSRA for years, we are thrilled to announce the new home for our Therapeutic Horseback Riding Program starting January 2025.

Walk On's mission is to promote well-being and inspire individuals to reach their highest potential, by harnessing the healing power of horses – which from a therapeutic standpoint is NWSRA's goal for this program. NWSRA is always committed to offering the highest quality instruction, and the instructors at Walk On are PATH International Certified, meaning they specialize in equine therapy and can guide riders of all physical, cognitive, and ability levels toward progressions on a horse. During program, both NWSRA and Walk On staff will work jointly to provide participants an elevated level of programming. In addition to top-notch instruction, this new partnership with Walk On will allow NWSRA to offer its Therapeutic Horseback Riding Program year-round, creating more opportunities for participants to experience the joy and benefits of therapeutic riding. Please only register for one program number in order to allow others to participate.

NOTE: Riders enrolled in this program must have adequate balance, mobility, posture and ability to maintain upper neck and trunk control. Helmets are provided, a waiver and medical form must be signed before the first day of class. The program is held indoors. **Participants must be under 150 pounds for the safety of the rider and horse. Riders are required to wear boots or shoes with a heel.**

SNOEZELEN[®] ROOM

Through Technology and innovative design, the Snoezelen Room is a controlled multi-sensory environment that helps create a therapeutic alliance between the participant and CTRS as well as a safe place to develop life skills.

STIMULATION

Multi-sensory products and environment can be used to stimulate individuals by providing exciting visuals, music and sounds, invigorating smells and textures to explore.

DEVELOPMENT

Snoezelen can be used as learning and developmental tool, it can be used for color matching, understanding of cause and effect, and creating themed environments to teach within.

RELAXATION

Multi-sensory products and environment can be used to calm and reduce agitation through the use of gentle light, soothing sound, relaxing smell and touch.

THERAPY

NWSRA's Snoezelen Sensory Team will help you create individualized short and long term measurable goals for each individual receiving therapy within the room.

MULTI-SENSORY ROOM FEATURES

BUBBLE TUBES

Provide multi-sensory feedback and stimulate the visual system. Therapeutic benefits include spatial awareness, touching, interaction, de-escalation and fine motor-skill development.

THE GESTURETEK CUBE

Creates an interactive projection on the floor with amazing special effects which are gesture controlled.

SENSORY MAGIC

Allows the therapist to create an image, sound, aroma and color-coordinated themes for learning, therapy, relaxation and more.

BUMPAS

Are soft vinyl objects secured to the walls that vibrate when touched. This may help calm and regulate the system for an under-sensitive individual, while increasing tolerance to tactile input for an over-sensitive individual.

INCLUSION SERVICES

WHAT IS INCLUSION?

NWSRA and its member park districts believe that all individuals should have access to whatever leisure opportunities they choose, regardless of ability level. We work together to assess any modifications that maybe be needed for an individual with a disability to successfully participate in park district programs , at no additional cost.

HOW TO REQUEST ASSISTANCE

Any request for inclusion assistance should be done at registration. Simply check the ADA box, requesting a reasonable accommodation. From there, the Park District Program Supervisor will reach out to you for more information. They will then contact the designated Inclusion Coordinator from NWSRA.

ASSISTANCE PROVIDED MAY INCLUDE

- Adaptive Equipment
- Individualized Resources (behavioral plan, visual schedule, communication board, incentive charts, etc.)
- Facilitation of Personal Care Plans
- Placement of Inclusion Aide

WHY INCLUSION?

Although many people achieve recreation through participation in NWSRA programs, others may have greater success in park district activities/ The process of including people with disabilities but also those without. Inclusive recreation programs prepare people with disabilities for life in an integrated society, and just as importantly, prepare society to accept individual diversity.

“

Inclusion provides **increased social interaction, independent and positive peer modeling.**

MEMBER PARK DISTRICTS - INCLUSION

NWSRA and its member park districts believe that all individuals should be provided with leisure opportunities that allow for performance at their highest level of ability. Although many people achieve this through participation in an NWSRA program, others may have greater success in a park district activity. NWSRA and its member park districts adhere to the following basic principles when providing modifications to allow for successful inclusion of individuals with disabilities in park district activities.

Principles of Inclusion

1. Interests and needs of the individual participant will be addressed.
2. The concerns of the parents/guardians will be taken into account.
3. The member park district and staff will be given full support by NWSRA.
4. Options will be made available to individuals with disabilities.
5. The NWSRA Board will determine, as necessary, the provision of resources for inclusion services.

To begin, simply register for the program of choice through the park district or contact NWSRA. Please indicate the disability and any other modifications for the participant on the park district registration form. NWSRA has a formal inclusion process that is followed for each situation. NWSRA inclusion staff will provide guidance, training, equipment, resources and/or staff as necessary to ensure success for the person with a disability.

For more information on the inclusion process, contact the Manager of Inclusion Services, Victoria Gonzalez at 847/392-2848, ext. 237.

PARENT/GUARDIAN/RESIDENTIAL STAFF RESPONSIBILITIES

- When arriving at a program, CHECK-IN with the NWSRA staff. When departing, you must sign out your participant with NWSRA staff.
- Label all items, including clothing. NWSRA cannot be responsible for lost or stolen items.
- Inform teachers and/or transportation departments of the participant's NWSRA programs after school or day program and changes as they arise.
- If a participant may walk or ride a bike home, a written notice, signed by the parent/guardian, must be sent to the NWSRA office prior to the start of the program.
- Notify the program leader in advance, by a written notice if someone new/unfamiliar to NWSRA staff will be picking up the participant after a program.
- Contact the NWSRA office if participant will be absent from a program.
- Parents/guardians/residential staff should adhere to scheduled pick up and drop off times.
- Parents/guardians/residential staff must provide supervision until the scheduled start time as stated in the brochure.
- Parents/guardians/residential staff must ensure participants have bowel and bladder control or arrive at the program wearing Depends or similar items under clothing. If this is a concern, please contact the NWSRA office.
- Parents/guardians/residential staff must ensure overall appearance of participant(s) should be clean (hair, face, teeth, hands, nails, etc.), wearing dry clothing, and wearing appropriate attire for program participation and weather conditions.

PROGRAM LEADERS/STAFF

NWSRA attempts to secure and place leaders/staff at each program as soon as adequate registration is received. To find out the program leader's name, or other information, please call one week before the program starts. Requests from parents for their children to have specific staff cannot be accommodated. NWSRA reserves the right to assign staff to specific programs. NWSRA strives for staff consistency, however, staff changes and reassignments may take place after programs have begun due to specific needs at other programs. Careful consideration is utilized when determining staff assignments and developing groupings.

PROGRAM SIZE

All programs have a minimum or maximum size. Programs may be canceled or postponed if adequate registration is not met. When participants of various ability and age levels are enrolled in the same program, NWSRA will group them according to age and ability.

PROGRAM INFORMATION

All trips and overnight information and registration will be in the program brochure. Flyers will no longer be sent out. To ensure you aren't missing out on any programs make sure to see the At a Glance section for programs and special events. Some programs serve a wide age group but are only listed under one group section.

NWSRA's programs and special events listed in the brochure are suggested for certain age groups and disability classifications to help ease your selection for programs. NWSRA will determine appropriate program placement if necessary.

NWSRA is committed to promoting healthy lifestyles. "HW" will be listed under program writeup "GOALS" to highlight programs that emphasize physical activity, healthy lifestyles or nutrition.

RECREATION COUNSELING

NWSRA staff are available to conduct a free half hour private meetings to discuss recreation and leisure opportunities for individuals with special needs. Interested persons may contact NWSRA to schedule an appointment.

GENERAL INFORMATION

SEVERE WEATHER GUIDELINES

In the event of severe weather, NWSRA may be forced to cancel programs. To receive live updates on NWSRA office closings and program cancellations due to inclement weather, please like us on Facebook, follow us on Twitter or visit the “What’s New” section of the NWSRA website. NWSRA also posts office closings on the Emergency Closing Center (ECC) website, and ECC information is posted on several local cable channels. The following guidelines will be used to determine cancellation:

Severe Cold Weather

- Outdoor programs:
0° or/in combination with wind chill of 0° or less.
- Programs with transportation:
For non-ambulatory routes: 0° or/in combination with wind chill of -10° or less.
For ambulatory routes: Temperature range of -10° or/in combination with wind chill of -20° or less.
- All programs (including indoor):
Snowstorm situations when driving restrictions (winter storm or blizzard warning in which authorities have advised not going out unless necessary) and emergency accident plans (state and local police) are in effect.

Program Cancellation - Severe Weather

Parents/guardians will be notified if a program is canceled due to severe weather.

SPEAKERS BUREAU

NWSRA staff members are available to speak to parents, teachers, social service or other community groups about NWSRA services, programs, and additional topics upon request. Call Rachel Hubsch at 847/392-2848 ext. 231 to obtain a Speakers Bureau Brochure.

TRANSPORTATION

For your convenience transportation fees are now separated out from programs. If you are taking 2 way transportation, pay the full cost. If you are taking 1 way transportation pay half the cost. If you aren't taking transportation than disregard the transportation fee.

- Transportation times for all programs may change based on enrollment and/or last minute facility changes.
- All individuals transported while in a wheelchair must have a seat belt system that secures them into their wheelchair and brakes that are in good working order. If a participant is in need of a seat belt system, NWSRA will provide one for program use only.
- Individuals using tri-wheelers must transfer into a bus seat as they cannot be safely secured while in the tri-wheeler.
- Door-to-door transportation is provided for in-district residents only. Program leaders will contact participants to arrange pick up times.
- NWSRA will make every effort to keep routes at a reasonable length of time. Door-to-door routes vary in length based on pickup locations. Late drop off/pick up of participants at programs creates a ripple effect. Please be considerate of others by being on time. Drivers will only wait 5 minutes at all pick up locations.
- NWSRA reserves the right to determine whether a participant can be transported safely.
- Individuals may be assisted by NWSRA staff to and from the door of their residence if there are no other individuals in the bus or a bus aide is available. NWSRA staff are not permitted to enter the individuals' residence at any time. NWSRA staff may not lift, carry or transport an individuals' assistive transportation device to any vehicle other than a NWSRA vehicle.
- When picking up or dropping off participant for transportation by NWSRA, park your car in a designated parking spot and drop off or pick up participant at the bus. Staff will not release participants until parent/guardian, residential staff or caregiver comes to the bus and signs participant out of program.
- The Child Passenger Protection Act of the Illinois Vehicle Code requires that children under the age of 8 be transported in an approved Child Safety Seat in certain vehicles. Parent/Guardian will be notified if there is a need to provide a Child Safety Seat for your child. Children under 8 years of age will not be transported if the parent/guardian does not provide a Child Safety Seat. For further information, please contact the NWSRA Office at 847/392-2848.

SAFETY INFORMATION

NWSRA is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. NWSRA continually strives to reduce risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians registering for the programs listed above must recognize that there is an inherent risk of injury when choosing to participate in recreational programs. You are solely responsible for determining if you or your participant are physically fit and/or skilled for the activities contemplated by this agreement.

RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the above identified programs, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your participant might sustain as a result of participating in any and all activities connected with and associated with said programs (including transportation services, when provided.) Recreational programs and activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational program or activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, participant misconduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for NWSRA to guarantee absolute safety. I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my participant or I may sustain as a result of said participation. I do hereby fully release and forever discharge NWSRA from any and all claims for injuries, damages, or loss that my participant or I may have or which may occur to me or my participant and arising out of, connected with, or in any way associated with these programs.

I have read and fully understand the above safety information, and release of all claims and assumptions of risk. If registering on-line, fax or e-mail, your electronic or photocopy signature shall substitute for and have the same legal effect as an original form signature.
