

Memory Game

Early Childhood Edition

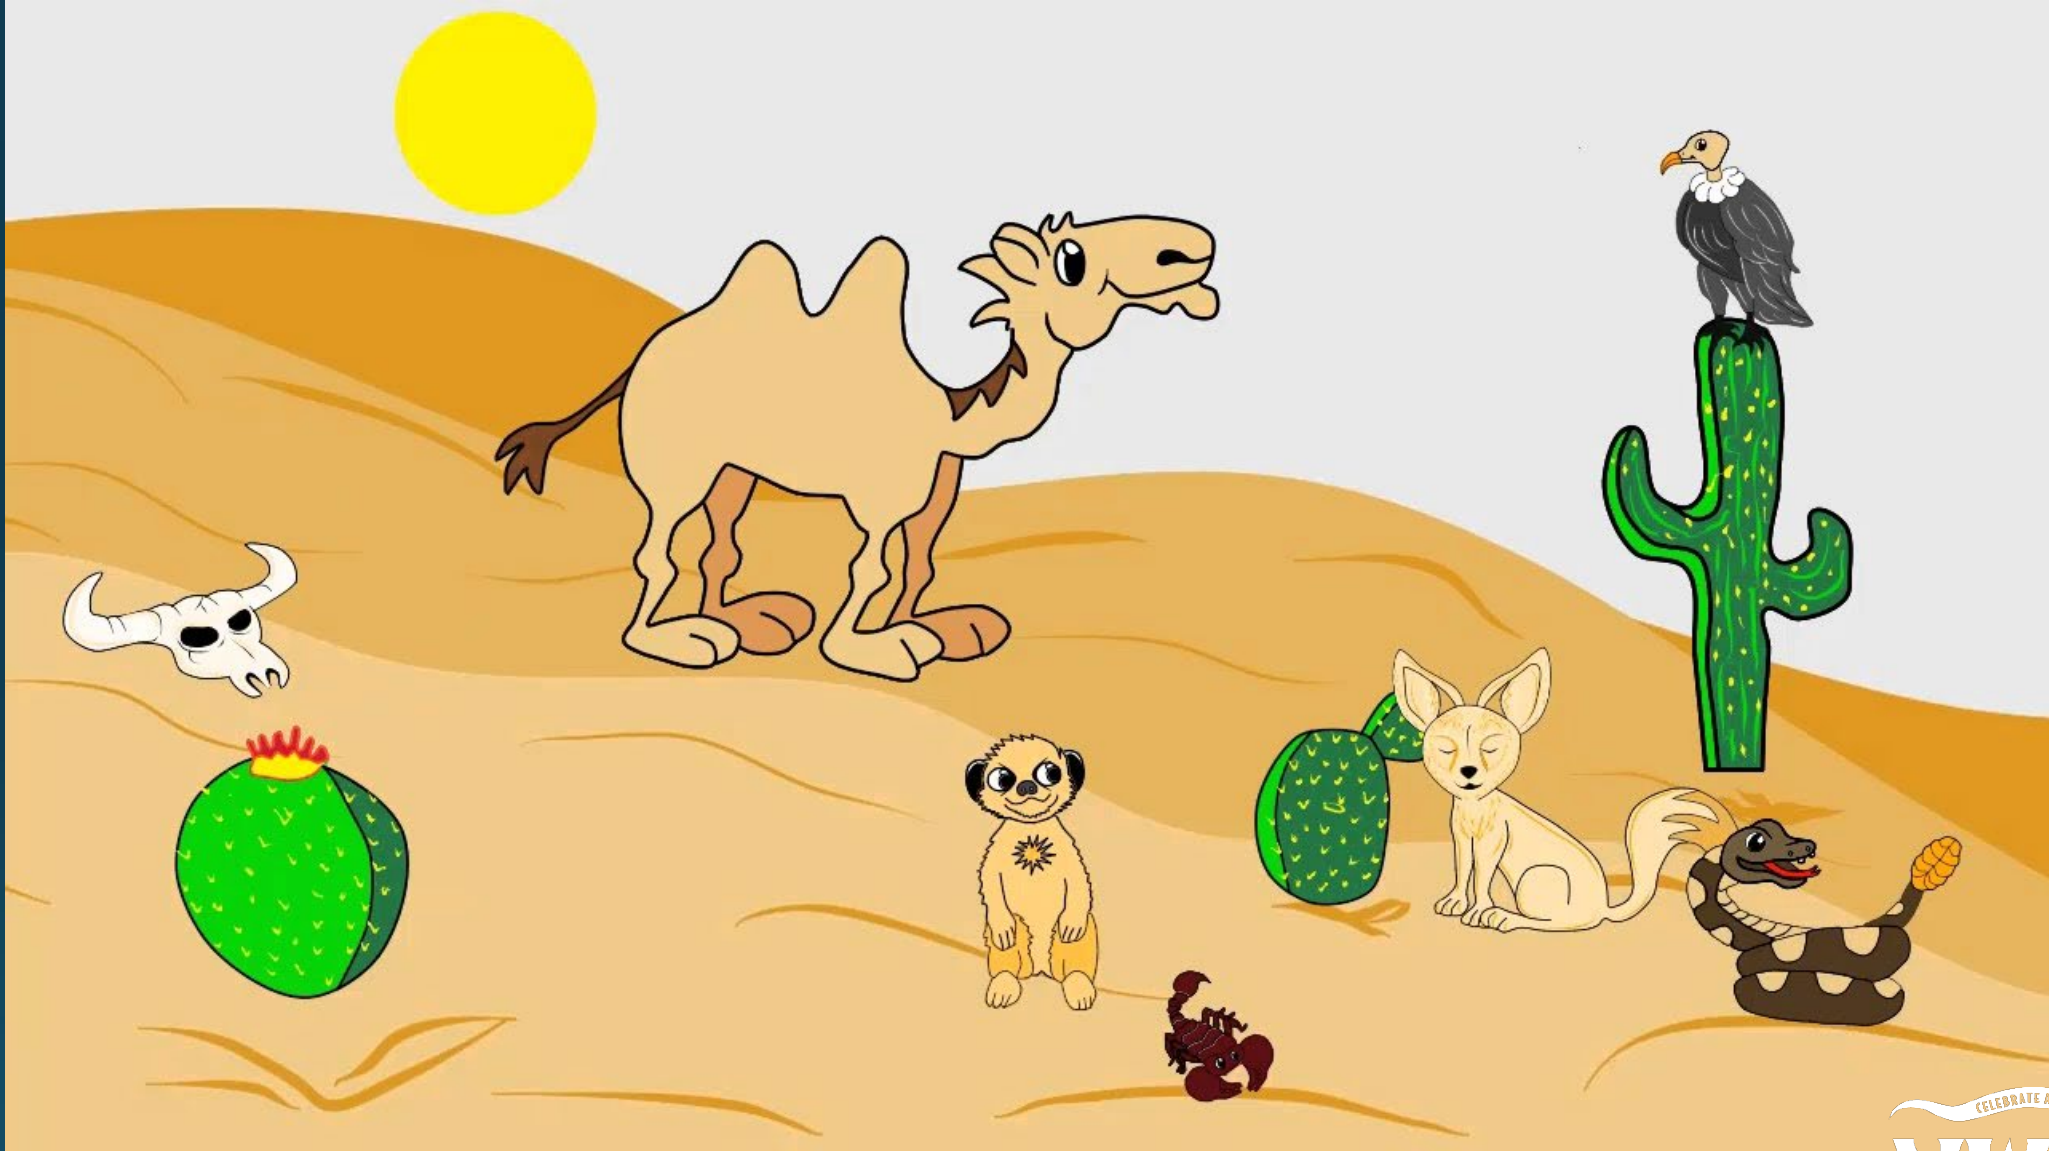

How to play:

- There will be 10 pictures shown in this game
- Try to memorize the picture as much as you can!
- The next slide will have questions to test what you remember from the photos
- There will then be a slide with the picture again and the answers to the questions.

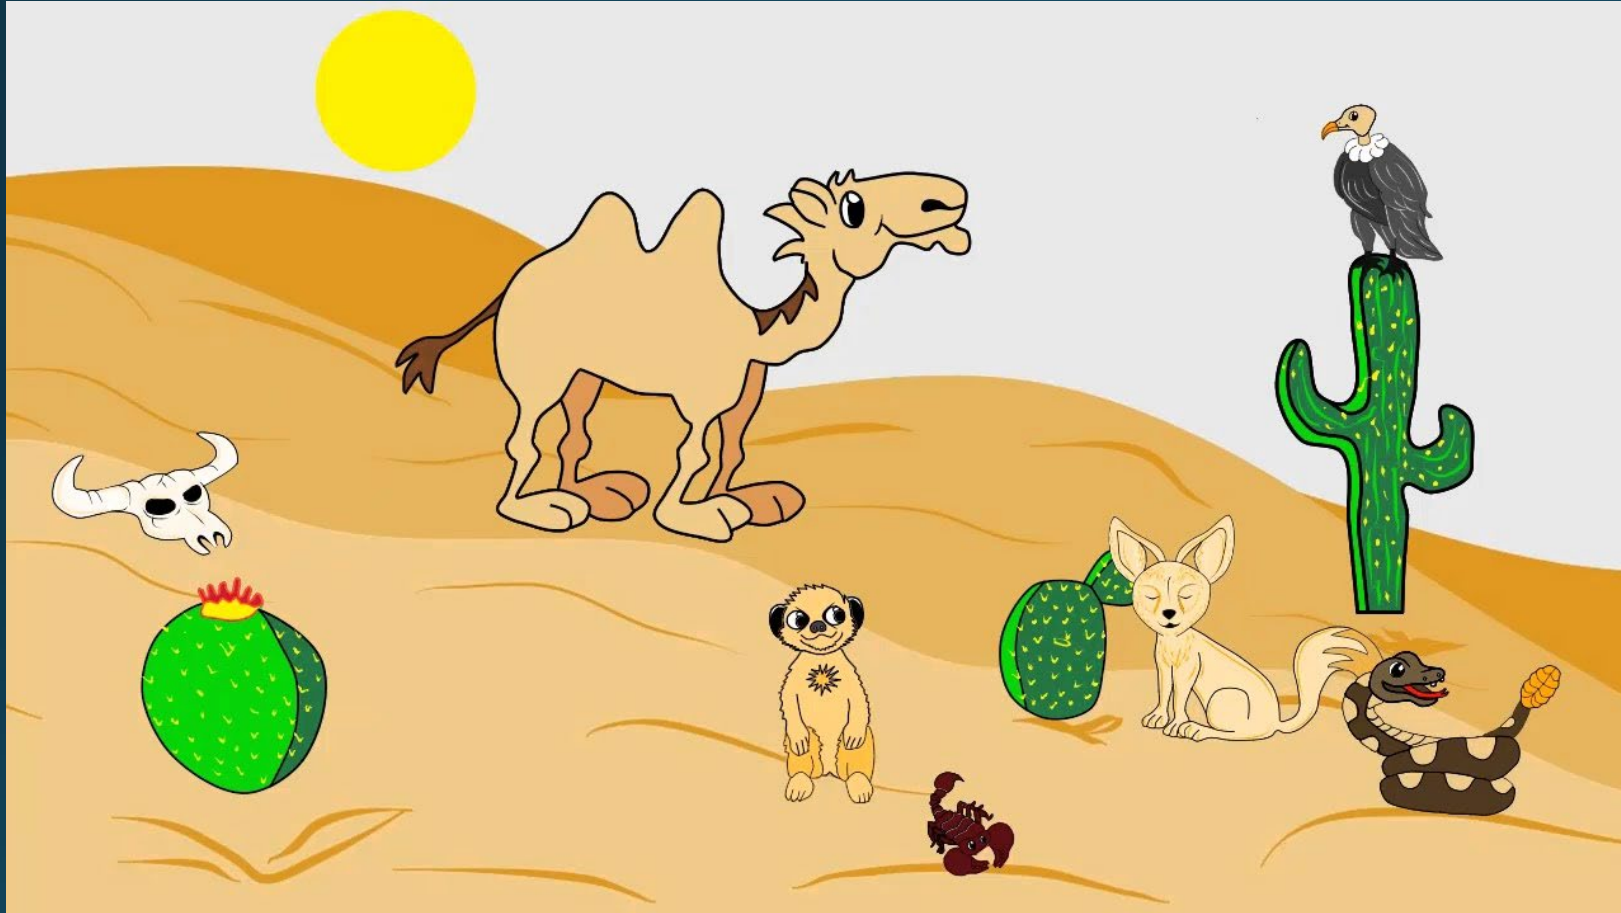

Good luck!

- What color were the boy's swim goggles?
 - How many starfish were there?
- Where is the boy wearing the hat?

- How many cacti are in the picture?
- How many humps does the camel have?
- Where is the snake in the picture?

There are three
cacti!

The camel has two
humps!

The snake is in the
bottom right corner!

- Is the squirrel happy or angry?
- Is the raccoon's tail pointing up or down?
- Where is the bunny?

The squirrel is angry!

The raccoon's tail is pointing up!

The bunny is in the middle of the picture!

dreamstime.

- Where is the bumblebee?
- What color were the girl's overalls?
- How many bottles were on the ground?

dreamstime.

The bumblebee is in the bottom right corner by the flowers!

The girl's overalls are green!

There are two bottles on the ground!

- How many sunflowers are there?
- What colors are on the beach ball?
- What animals and bugs are in this picture?

There are six sunflowers that are easy to see, and two that are hiding behind the boy on top of the slide! (extra points if you saw those ones!)

The beach ball has blue, yellow, red, and white!

There are four creatures in this picture! A bird, a butterfly, and two bees!

- How many orange coral bunches are there?
- How many bubbles are there?
- How many fish are swimming in the background?

There are 2 orange coral bunches!

There are 18 bubbles!

There are 7 fish swimming in the back!
