**Mission Statement** – We exist to support and promote outstanding opportunities through recreation for children and adults with disabilities in cooperation with Northwest Special Recreation Association.

- In 1980, Special Leisure Services Foundation (SLSF), a 501(c)(3) organization, was formed to provide additional funding needed to maintain quality services and facilitate future growth for Northwest Special Recreation Association (NWSRA).
- NWSRA is the largest provider of recreational services for children and adults with disabilities in the state of Illinois. As an extension of 17 park districts throughout the northwest suburbs, NWSRA offers public access, year round recreational programming to over 6,000 individuals with disabilities in its service area.

## ABOUT SLSF

# NEED FOR FUNDING

**Join our mission of supporting children and adults with disabilities today!**

## Planned Giving

Leave a lasting legacy: make a future charitable contribution while receiving tax benefits. You may restrict your gift or leave an unrestricted gift to be used as needed.

## Donations

Donations create a lasting impact on the lives of NWSRA participants:

### • Kevin's Club

NWSRA was founded by a man of vision, Kevin T. Kendrigan. He had a clear vision and big dreams that NWSRA programs and services would be at the forefront of community-based therapeutic recreation. Join us as we continue to build Kevin's legacy by making an annual major gift (\$500+) to improve the lives of children and adults with disabilities.

### • Monthly Recurring Donations

Select the amount you'd like to donate, create your profile, and your donation will be made automatically each month via your credit card!

**INDIVIDUAL GIVING**

## INDIVIDUAL GIVING

Children and adults with disabilities deserve access to services that will provide opportunities to increase health, enhance skills, increase socialization and so much more. As social service agencies face an uncertain financial future, the need for services is evident. To ensure equal access to recreational programs and services throughout the community, SLSF provides funding toward:

**Transportation** - Purchasing wheelchair accessible vehicles for attending weekly programs, special events, trips and more

**Scholarships** - Offers financial support for those in need, enabling them to participate in NWSRA activities

**Inclusion** - Enabling children and adults with disabilities to participate in their home park districts

**Athletics** - Providing support to NWSRA Lightning athletes who have the opportunity to compete in various athletic opportunities

**Programs** - Purchasing equipment and supplies to enhance recreational experiences
