**Re:** Notice number: 972CG  
Northwest Special Recreation Association  
Employer Number: 36-3059924  
Tax Period: 2022

Dear Sir/Madam,

I am counsel for the Northwest Special Recreation Association ("Association," or "NWSRA"), an association of Illinois local government units formed under state law whose mission is to provide park and recreational opportunities to disabled children and adults in northwestern Cook County, Illinois. On August 5, 2024, the Association received IRS Notice 9732CG dated July 29, 2024 (the "Notice"). The Notice proposes a \$21,600 penalty against NWSRA for a delay in the filing of its 2022 W2 information returns. The Association respectfully states its total disagreement with the proposed penalty. The delay in filing the returns was caused by circumstances completely beyond the Association's control, and was not due to willful neglect—in other words, there was reasonable cause for the delay, as explained below. The July 29, 2024 972CG notice referenced above is attached hereto as **Exhibit A**.

NWSRA experienced the abrupt departure of its in-house Finance Manager in February 2022. The Finance Manager had been the sole employee responsible for the Association's payroll and electronic W2 filings and had been in the position since April 2016. Promptly after her departure, Northwest Special Recreation Association contracted a financial firm to perform the financial and accounting services of the Association. The contracted financial firm did not electronically file the W2s until February 17, 2023. The contracted financial firm never notified NWSRA that the W2s were filed seventeen days late. As a result, NWSRA did not become aware of the late filing until it received the July 29, 2024 Notice on August 5, 2024. All employees were given their W2s on January 30<sup>th</sup> and any remaining W2s that the agency had in its possession were mailed to each employee (and postmarked) on January 31<sup>st</sup>. **Exhibit B**

W2 corrections were mailed on February 14, 2023. It was at this point that the contracted financial firm discovered the W2s had not been timely submitted to the IRS. The contracted firm electronically filed the W2s on February 17, 2023 without notifying NWSRA. **Exhibit C**

NWSRA provides day camps, recreational programs, trips, special events, specialty programs, transportation, and services to its disabled residents. The Association serves a population base of more than 643,000 residents. Seventy-five percent of NWSRA's income is from tax dollars levied by its member park districts paid to the Association to provide services for their residents with disabilities. NWSRA has no independent taxing authority. The cost to provide NWSRA's

services is high, but for the families it serves in this 17-community area, the opportunities provided are essential to the health and well-being of their loved ones. The Association has successfully maintained exceptional programming and opportunities to an otherwise underserved community through its unique sharing of financial and extraordinary volunteer and paid human capital.

Payment of this penalty will directly impact NWSRA's ability to serve the many adults and children with disabilities and their families who depend on its services to support their daily needs. A detailed profit and loss statement demonstrating the financial challenges facing the Association during fiscal year 2022 is attached as **Exhibit D**. NWSRA sincerely believes the public is best served by removal of this proposed penalty under these unfortunate circumstances.

NWSRA is financially responsible and committed to full compliance with its W2 filings in the future. It has already started implementing measures to prevent a similar problem in the future. These measures are being carried out under the supervision and direction of NWSRA's new in-house Superintendent of Finance and includes the following:

1. Review, enhance, and build redundancies for all internal financial processes and controls to eliminate the risk of future non-compliance.
2. Continue the annual engagement of an outside professional auditing firm.
3. The Superintendent of Finance will personally oversee all payroll/taxation and W2 filings on a daily, monthly, quarterly, and annual basis to ensure ongoing accurate and timely compliance.
4. The purchase and implementation of AccuFund, a new accounting and financial software to assist with all financial needs.

Accordingly, for the reasons set forth above, NWSRA respectfully requests that the proposed penalty be removed for the reasons set forth above. Should the IRS require any further supporting information to evaluate this request, please call or email me. The Association would be happy to provide any further information or documents.

The Association sincerely appreciates your careful consideration of this request. We look forward to a prompt resolution that will restore our good standing with the IRS and enable us to continue the fulfillment of our obligations to the communities we serve.

Sincerely,

**ROBBINS SCHWARTZ**
