Re: Accessibility Fund Reimbursement from NWSRA
Melas Park Bridge Approaches Repairs

Dear; Ms. Crawford

Melas Park (1500 W. Central, Mt. Prospect, IL 60056) is a Community Park located on the West side of the Park District. We recommend the following funds be reimbursed to the Mt. Prospect Park District for Accessibility improvements at the bridge approaches. The funds will be used to reimburse a contractor through the Park District.

Request reimbursement for 5' of the 6' pathway width to repair bridge approaches at Melas Park. Overtime significant settling and past repairs have created inaccessible bridge transitions. The contracted cost of the asphalt work is a total of \$4,023 and we request 83%. The paving shall meet the current ADA Standards (2010) and Accessibility as determined in Chapter 2 Scoping Requirements 206.2.2 Accessible Route within a site and Chapter 4 Accessible Routes 403 Walking Surfaces. We request **\$3,352**

The Mt. Prospect Park District requests **\$3,352** for reimbursement from the NWSRA for accessibility improvements made as part of the Melas Park Bridge Approaches. The total projected project cost including ADA and non ADA items is \$4,023
