# AT HOME SCAVENGER HUNT

1. Soft and plump, I'll be right here. Throughout your dreams, you'll keep me near. I'll keep you comfy all through the night, and you'll leave me here in the morning light.
2. Flat, black, and seemingly boring, I sit in the living room all day. Not until you turn me on do colors flash on my display.
3. From dirt, to paint, and everything in between, I'm your number one companion in keeping clean.
4. Standing quietly against a wall, you rarely notice me though I'm tall. Inside, I keep a lot of treats. Open my door and then you'll see!
5. A full one puts a smile on your face. You keep on going like it's a race. But as my contents start to diminish, you'll start to think if you're ready to finish. What am I?
6. Feeling cold? Then don't forget me! Throw me on before you go. I'm nothing special, everyone has me. People wear me when the temperature's low.
7. On, off, that's all I do. But my purpose does more for you! Turn me on when it's dark at night. My brightness beats out candlelight.
8. Take a gulp to cool yourself down. When it comes to beverages, I wear the crown. Not quite as sweet as soda or juice, but no other drinks could exist without my use.
9. Stepping out? Wear me first! I'll protect your feet from the worst.
10. Strong and sturdy, count on me! Just keep me locked, and you'll see. Tall and solid, all homes have me. To get me open, you'll need a key.
11. Jump inside, the water's fine! If it's not, just take your time. Move the knobs and get it right. I make sure you're clean every day and night.
12. Keep me open, keep me closed. There's really nothing I oppose. But when it rains, or when it's cold, to keep me shut is what you're told.
13. Tall and strong, I stay outside. The sun, the rain, they're by my side. I give birds homes and help you breathe. I even give you fruit to eat.

# HEART WALK

Follow the instructions to complete the heart craft. Hang your heart in a window. Take a walk with a family member or friend and see how many hearts you can find!

Gather all of your supplies. You will need: pencil, markers, coffee filter, scissors, paper towels / newspaper, spray bottle, newspaper.

Cover your table using paper towels or newspaper. If the table is not covered, the ink will bleed through.

Lay your coffee filter flat. Draw a heart.

Use your scissors to cut out the heart shape.

Using washable markers, color a design on your heart. Be creative!

Grab your squirt bottle and wet the coffee filter until the colors start to bleed together.

Set aside to dry.

When your heart is dry, use a small piece of tape to hang it in your window!

Go on an adventure to find other hearts!
