SAFETY INFORMATION

NWSRA is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. NWSRA continually strives to reduce risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians registering for the programs listed above must recognize that there is an inherent risk of injury when choosing to participate in recreational programs. You are solely responsible for determining if you or your participant are physically fit and/or skilled for the activities contemplated by this agreement.

RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the above identified programs, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your participant might sustain as a result of participating in any and all activities connected with and associated with said programs (including transportation services, when provided.) Recreational programs and activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational program or activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, participant misconduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for NWSRA to guarantee absolute safety. I recognize and acknowledge that there are certain risks of physical injury to participants in these programs, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my participant or I may sustain as a result of said participation. I do hereby fully release and forever discharge NWSRA from any and all claims for injuries, damages, or loss that my participant or I may have or which may occur to me or my participant and arising out of, connected with, or in any way associated with these programs.

I have read and fully understand the above safety information, and release of all claims and assumptions of risk. If registering on-line, fax or e-mail, your electronic or photocopy signature shall substitute for and have the same legal effect as an original form signature.
