Re: Accessibility Fund Reimbursement, Climber at Westbrook School

Dear Tracey,

The Mount Prospect Park District, Westbrook School/Park (103 South Busse Road), Mt. Prospect, IL 60056) intends to replace a "Chimney" climber on a composite play structure. We request the following funds be reimbursed to the Mt. Prospect Park District for Accessibility improvements. The funds will be used for a portion of the purchase of a climber.

The play area in total meets and exceeds current ADA Standards (2010). The Playground Accessibility is as determined in Chapter 2 Scoping Requirements 240 Play Areas and Chapter 10 Recreation Facilities 1008 Play Areas. The Chimney climber is accessible via an elevated accessible route through a transfer station and from the ground. The Mt. Prospect Park District requests reimbursement for 50% of the cost of new "Chimney" climber. The total available accessible events exceeds 50% of the structure and the entire play area. The cost to purchase the new play structure is \$4,481.00. The Park District requests reimbursement of **\$2,240.50**

The total cost of the "Chimney" climber is \$4,481.00, we request reimbursement for 50% of the purchase amount or **\$2,240.50**. If you have any questions please let me know, 847.255.5380 Ext 108 or bkutscheid@mppd.org.

Sincerely,
