Golf Course GPS System Lease

Dear Tracey,

The Mount Prospect Park District, Mt. Prospect Golf Club (600 S See Gwun Ave, Mt. Prospect, IL 60056) intends to renew our lease for Club Car Visage GPS Systems on each Golf Cart in our system. We request the following funds be reimbursed to the Mt. Prospect Park District for Accessibility improvements. The funds will be used for a portion of the lease agreement.

The Visage GPS System assists the MPGC in assisting people with a mobility impairment and with emergency communications. The Visage GPS System allows the Golf Club to allow golf carts with people with a mobility impairment to access via cart restricted areas. For example on wet days other carts would be limited to paths only the Visage GPS System would allow a cart with a person with a mobility impairment access to the entire course. The Visage GPS System also allows for communication with the clubhouse and communication for on course assistance.

The total cost of the Visage GPS lease is \$38,916, we request reimbursement for 20% of the lease amount or \$7,783.20. If you have any questions please let me know, 847.255.5380 Ext 108 or bkutscheid@mppd.org.

Sincerely,

Ben Kutscheid, PLA, ASLA, CPSI
